GET THAT FALLS
FEELING

While you're here...

Here at Falls Creek, we're committed to keeping our alpine environment pristine. So while you're here, please remember these few things.

PUT YOUR RUBBISH IN THE RIGHT BIN

Falls Creek Alpine Resort is making a commitment to the sustainable management of recycling and waste at Falls Creek with the goals to divert 80% of waste from landfill by 2030.

That's why we are now separating our rubbish into 4 bins for organics, glass, mixed recycling and waste.

While you are here, please help us with our goal by placing your rubbish in the correct bin or supplied bags.

STOP THE SPREAD, CLEAN YOUR TREAD!

Help prevent the spread of weeds throughout our beautiful high country, make sure you clean your gear when you set off and return from a hike or ride.

PROTECT OUR WILDLIFE

Our native wildlife are protected, we encourage you to enjoy watching them but **please don't feed them**. Please observe any information signage and keep your distance.

Take care when driving between dusk and dawn and if you encounter an injured animal please call Wildlife Victoria on 03 8400 7300 for assistance

LEAVE YOUR PETS AT HOME

While we love our furry friends, no dogs, cats or other non-native animals are permitted in the resort without a permit. This is to help keep our wildlife safe.

TAKE ONLY PHOTOGRAPHS

The flora and fauna of Falls Creek are protected. Please admire from afar. You can contribute to conserving our unique environment in the resort by [becoming a citizen scientist](#).

CAMPING & FIRES

Camping is permitted outside the resort boundary (within the national park) only. Campfires are not permitted anywhere in the resort boundary. You may have a campfire in the national park at designated sites only.

Drink Tap Water

Falls Creek has some of the cleanest and most pristine drinking water in the world.

IT IS SAFE

We encourage all visitors to our village to drink fresh water from our taps. The water at Falls Creek is treated and safe.

Falls Creek follows the Safe Drinking Water Act 2003 and the Safe Drinking Water Regulations 2015 as outlined on the Department of Health Victoria's website.

There is no need to bring store bought water to Falls Creek

IT IS DELICIOUS

Being at the top of the water chain, the mountains around Falls Creek capture the snow melt and rain which then filters through the rocks to where we get our raw water from. This is then treated to ensure the safety of the water for our village residents and visitors. Our water has no fluoride or no chloride added. It is safe for you to drink.

USE A RE-FILLABLE BOTTLE

We encourage everyone to use their own re-fillable water bottles when going out-and-about for the day. Or fill up your Camelbacks for hiking and mountain biking activities. There are water fountains located throughout the village to refill bottles.

Bring a reusable cup for your coffees as well. It tastes better that way because you know you're helping to reduce waste.

REDUCE WASTE

By drinking our tap water and using re-fillable bottles, we all help to reduce waste into the greater world and reduce litter in our own village and surrounding wilderness.

Reducing waste is one more important step we can all take in minimising our footprint on the environment.

Falls Creek Must Do List

Falls Creek features a stunning natural environment and there is so much to see and do. Here's a little list of our top tips to live like a local.

EXPLORE THE FALLS CREEK VILLAGE

1/2 DAY

Good for:

✓ Everyone

Find your way around the village by heading out for a stroll among the snowgums. Pop down to the Visitor Information Centre for the latest tips or download the village map and get out for a wander.

Village highlights include — Ski Wall at Diana Lodge, Possum Playground, the Village Bowl Pump Track, the Big Fella Artwork up Ory's trail and of course a picture with the giant snowman!

Take a break and pop into one of the village cafes for a well deserved treat.

WALK TO ROPERS LOOKOUT

1/2 DAY

Good for:

✓ Families & couples

✓ Adventurers

Just over the other side of the dam wall is the wonderful Ropers Lookout, a great half day walk. This route meanders along a quiet aqueduct before it takes you up through the snow gums to the rocky outcrop of Ropers Lookout, named after an old cattleman.

The lookout provides some of the best views of the Falls Creek village, Rocky Valley Lake and the Kiewa Valley, particularly spectacular at sunset.

MT MCKAY DRIVE

1 HOUR RETURN

Good for:

- ✓ Families & Couples
- ✓ Sightseeing
- ✓ Sunrise & sunset

Providing one of the best views of the alpine region, Mt McKay is Australia's highest drivable point at 1842m. The road up is a 20 minute drive on gravel roads and also can be linked out with Pretty Valley lake and huts! On a clear day it's possible to see hundreds of kilometres in all directions and across to all the major Victorian landmarks including Mt Bogong and Mt Feathertop. For a real treat, head up at sunset with something cool and bubbly.

ROCKEY VALLEY LAKE

Good for:

- ✓ Everyone
- ✓ Watersports
- ✓ Picnicking

Bike, hike or drive out to Rocky Valley Lake for water-based fun at altitude. Grab your bathers and a picnic for a gorgeous day by the water. There is great trout fishing at the lake, so pick-up your fishing rod (and fishing licence) and throw in a line. The water is clear, inviting and very invigorating.

Bring your own SUP or kayak to explore the lake or spend the day hanging out by the foreshore and brand new pontoon.

KAYAKING ON ROCKY VALLEY LAKE

AUSTRALIA'S HIGHEST DRIVABLE POINT

HIT THE BIKE TRAILS

TAKE AS LONG AS YOU LIKE OR
AS MUCH AS YOU CAN HANDLE.

Good for:

- ✓ Adventurers
- ✓ Groups
- ✓ Families & Couples

For the adventurous and those who like to be reminded of the power of gravity, there's more than 50km of MTB trails to explore. From beginners to the serious shredders, there's a trail for everyone in Falls Creek.

Save your legs and book a day of shuttles with [Blue Dirt MTB](#). It's the best way to explore the whole MTB park in a day.

Check out Falls Creek MTB park on Trailforks or visit our [website](#) or the Visitor Information Centre for MTB and Gravel trail maps.

PRETTY VALLEY BLUE POOLS

1.5 HOUR RETURN

Good for:

- ✓ Adventurers
- ✓ Swimming

We're letting you in on a Falls Creek secret... The Pretty Valley Blue Pools are a short 15 minute drive from the Falls Creek Village and offers a picturesque place to jump in the icy cool alpine waters.

How to get there?

Head out along Pretty Valley Road, past Mt Mckay until you see the turn off for Pretty Valley Dam Wall.

Drive past the dam wall and to the end of the road where you can park your car. From here, walk down a little further until you see the pools down to your left.

WALLACE'S HUT

WALLACE'S HERITAGE TRAIL

2.5 HOUR LOOP

Good for:

- ✓ Sightseeing
- ✓ Adventurers
- ✓ Families & Couples

With some of the oldest huts on the High Plains, Falls Creek is ideally located for those keen to explore the rich history of the High Plains, with cattlemen from European settlement and the connection to traditional owners many thousands of years before.

Drive to the Wallace's Hut Car Park and from there it's an easy and very scenic 6km walk along the Wallace's Heritage Trail to the slightly newer, but still historic Cope Hut. You'll enjoy views down towards the valleys and Shannonsvale.

DINE OUT IN THE VILLAGE

Good for:

- ✓ Everyone

All those alpine adventures will give you a healthy appetite. With a range of fabulous venues in our village, you can enjoy a cold beverage whilst overlooking the mountains, a pub meal while basking in the afternoon sun, or a Melbourne quality latte and brunch at one of our fine venues.

Plan Your Trip

Hat or beanie? Pants or shorts? Wondering what to pack? We've got the top tips to keep you covered.

SUMMER AT ALTITUDE

Falls Creek is very pleasant in Summer, usually with mild temperatures ranging from the teens to the high twenties. Our altitude of 1600m+ means it's usually around 10°C cooler than the towns and valleys below. Don't forget, variable conditions can happen at any time of year (yes, it can snow in December) and it's always best to be prepared.

Come equipped with general summer supplies of sunscreen, hat, bathers, river shoes and a towel,

hiking gear, sturdy shoes & a water bottle or hydration pack. Don't forget the "just in case" items such as an umbrella, warm clothing and jacket.

VISITOR INFORMATION

Want to chat to the team and get the local lens on what to do, where to go and how to make the most of your trip at Falls Creek?

The Visitor Information Centre is at 1 Slalom Street (look for the big green 'i') Map Ref E4 | 03 5758 1200.

The Centre is open for walk-in traffic or phone enquiries 7 days a week (Nov–April), check the website for summer opening hours.

Outside of opening hours, visit our website for maps, events, activities and general information for your stay at Falls Creek.

You can also contact us via Facebook Messenger to talk directly with one of our staff during business hours.

Getting to Falls Creek

Getting to Falls Creek in Summer is an easy and scenic drive from many places in Victoria or New South Wales.

FROM MELBOURNE

Head out of town on the Hume Freeway for 2¾ hours and take the Snow Road exit just before Wangaratta. Make a short stop in Milawa, home to wineries, a distillery and gourmet delights. From Milawa, head towards Myrtleford for stunning views of Mt Buffalo. You can then choose to go through the beautiful township of Bright, or directly to Mount Beauty and then on to Falls Creek. All up it's a 4¾ hour drive to Falls Creek from Melbourne.

FROM ALBURY & NSW

Falls Creek is the closest alpine resort to Albury and a great destination for a day trip or "next stop". The travel time is between 1½ to 2 hours and it's a spectacular drive through the Kiewa Valley. The best way is to cross the Murray River

into Wodonga and then follow the signs to Mt Beauty along the Kiewa Valley Highway.

Stop in at Mount Beauty to dip your feet in the Kiewa River at Pebble Beach, a short walk from the car park in Tawonga South.

FROM OMEO/GIPPSLAND

After the snow melts each year, normally around cup weekend, the back road to Omeo opens for the summer period making it so much easier for our friends from the East to visit our mountain town. If you're heading up from Gippsland, a lunch stop at the Blue Duck Inn at Angler's rest is a must do!

From Omeo it's about a 1.5 hour drive through the picturesque mountains until you reach Falls Creek. Before you set off be sure to check the road is open.

Village Services

It's easy to walk around Falls Creek Village, as it's less than 1km from end to end so you can get to most places in a 15 minute walk.

VILLAGE HUBS

Slalom Plaza and the Village Bowl are the two main village hubs and a great point for meeting with friends. The Plaza offers a lush village green and landscaped gateway, perfect for relaxing with a latte or a game of cricket. Head to the Bowl's impressive ski-field backdrop for a hit of tennis, a drink or a bite to eat.

FOODWORKS SUPERMARKET

Slalom Plaza | 5758 3009

Foodworks Supermarket is located in Slalom Plaza and is open for fresh food and groceries. The supermarket also offers a range of additional services like a newsagent, bottle shop and ATM. Check their [Facebook page](#) for opening hours or call the Visitor Information Centre (03) 5758 1200.

TENNIS COURTS

Village Bowl | 5758 1202

The Village Bowl tennis courts are \$10 per hour to hire and include FREE racquet set rental. You can also buy balls at \$1 each. Bookings can be made via the Visitor Information Centre.

SERVICES

PYGMY POSSUM PLAYGROUND

The pygmy possum playground is a place for the kids to have a climb and a slide in between adventures! You will find it in the heart of the Village Bowl up Falls Creek Road.

DISC GOLF

Love the idea of a walk but the kids want to play a game? Why not do both and have a game of disc golf? Much like traditional golf players aim to complete each hole in the fewest number of strokes; except instead of a ball players use a flying disc! Disc sets are available for rent at the Visitor Information Centre.

CRICKET SETS

Fancy a hit on the lawn at Slalom Plaza? Pop on over to the Visitor Information Centre and pick up a cricket set - FREE to borrow.

PUMP TRACK

Located in the Village Bowl, this awesome track will keep the kids and their bikes entertained for hours. Parents can kick back at the near by Frying Pan Inn over a refreshing beverage.

Family Fun

School holidays are buzzing at Falls Creek, there's so much to do for the whole family and ways too keep the little ones entertained.

FALLS CREEK MUSEUM

Experience the rich culture and heritage of the resort and region at the Falls Creek Museum. The Museum is open during major event weekends and by appointment. You can visit for a gold coin donation - to request a special visit call the Visitor Information Centre or contact via the website fallscreekmuseum.com.au

TENNIS COURTS

The tennis courts in the Village Bowl are available to hire by the hour. Please visit the Visitor Information Centre to arrange hire of the courts and to rent tennis racquets.

ROCKY VALLEY FORESHORE

Just a short distance from the village, the lake provides a water playground for a range of aquatic activities. Turn right before the dam wall at Rocky Valley Lake for grassy banks, picnic spots, the brand new pontoon and a safe entry point to paddle or swim. The water is cool all summer long, perfect for a refreshing dip on a hot summer's day.

KAYAKING & CANOES

Self powered watercraft is one one of the best and most peaceful ways to enjoy the iconic Rocky Valley Lake. Head out at sunrise for a truly spectacular morning on the water.

Be sure to pack your kayaks, canoes and stand-up paddleboards!

SAILING & MOTOR BOATS

Bring the tinny or the dinghy up to launch into Rocky Valley Lake. There are boat ramps on either side of the dam wall and ample parking for trailers and cars. Motor boats are allowed to launch but are restricted to 10hp craft only.

FISHING

Rocky Valley Lake is abundant with brown and rainbow trout, and you might get lucky to find a chinook salmon or two. The best fishing is by boating to the middle of the lake (see the restrictions above) but you can definitely get a nibble or two from the shoreline. Fly fishing is best at the close-by Pretty Valley Lake, found by driving or riding Pretty Valley Road toward Mt McKay. Fishing licenses are a must, which you can purchase easily online. Fishing rods are available to rent from the Visitor Information Centre for \$10 per day.

Rocky Valley Lake

Cool blue water on a hot summer's day, head to Rocky Valley Lake for picnics, watersports, fishing or just relaxing. At 1600m, this is the highest significant body of water in Australia.

READY FOR AN ADRENALINE HIT?

Falls Creek Mountain Bike Park is home to over 50km+ of flowing singletrack. 70% of the trails are intermediate and 10km are fantastic beginner trails.

All trails start and finish in the resort and our ride-in, ride-out village is as cycle friendly as they come. Shuttle service and bike facilities and more.

ROAD CYCLING

Steep climbs, tight curves and epic views. You haven't experienced alpine road perfection until you've ridden the Bogong Alpine Way.

Falls Creek has a huge reputation when it comes to road riding, thanks largely to the resort's unique dual approach perspective for spectacular climbs from Mount Beauty and Omeo. At 1600m+ there are recognised benefits in training at altitude so it's an easy task to combine holiday time with that all-important training regime.

From Falls Creek the 235km Alpine Loop stretches in each direction and circumnavigates the Alpine National Park. Be wary though – there is a reason they call this route Peaks Challenge, Australia's toughest single-day ride.

Visit the Falls Creek website for maps

MT BEAUTY APPROACH

**3.9%
AVG GRADE**

**1.200M
ELEVATION GAIN**

**32
KILOMETRES**

The climb to Falls Creek is one of the longest and most picturesque in the Australian Alps. There are plenty of rest sections early before a steady climb once beyond Bogong Village.

OMELO APPROACH (BACK OF FALLS)

**4.2%
AVG GRADE**

**1000M
ELEVATION GAIN**

**47
KILOMETRES**

The back approach to Falls Creek is easy for the first stretch from the Blue Duck Inn until a grueling 9km, ascent at 10% makes this one of the most challenging climbs in Victoria.

GRAVEL RIDING

For the explorers at heart, backcountry gravel riding is the ideal medium for those seeking adventure and space out beyond the resort boundaries. With an incredible network of gravel and backcountry riding routes weaving their way across the Bogong High Plains, Falls Creek is the perfect gateway for your next trip.

With options ranging from smooth and idyllic aqueduct trails right through to all day alpine epics, the rewards are waiting for those willing to push on just a little farther. With the ability to link backcountry rides into the network of singletrack and trails in our MTB park, the only real limit to how far you can go is yourself.

We've curated some of our favourite routes on the next pages and graded them accordingly. All of the routes are perfectly passable on a gravel bike but for some it may be easier tackled on a MTB due to the challenging nature of the terrain. All riders heading out into backcountry and terrain of the Alpine National Park should be independent and prepared, riders should not head out alone. The weather and conditions in the alpine environment can deteriorate rapidly and riders should as a minimum carry with them:

- Tools, pump and spare tubes (+ the ability to use them).
- Clothing for the conditions + a jacket (the weather in the alpine region can change quickly).
- Food and water for the duration of your ride.
- Fully charged mobile phone.
- First aid kit.
- Map + compass (and know how to use them).

ROCKY VALLEY LAKE RETURN

15.5
KILOMETRES RETURN

This gentle ride is a perfect warm-up and ideal for those with younger riders looking to find a quiet route to explore. The push up to the aqueduct trail out of the village is the hardest bit, with predominately flat trails after this, taking you through the Nordic Bowl and out to the opposite side of the Rocky Valley Lake for a new perspective and perhaps some rock skipping or a picnic!

TOUR OF THE TOP

14.3
KILOMETRES RETURN

Tour of the Top is an ideal loop for those seeking a high-impact short ride. Take on a steady climb along the well-maintained Aqueduct Trail, past the sparkling Rocky Valley Dam, to 'the top' for incredible, panoramic views of the Bogong High Plains. This loop is ideal for intermediate riders looking to immerse themselves in the natural beauty of the Victorian Alps, combining a short ride with unparalleled vistas – especially at sunset.

PRETTY VALLEY LAKE RETURN

19.2

KILOMETRES RETURN

This lovely cruise is a great intro into gravel riding and is perfect for those whose legs are a little less experienced. Heading out on simple gravel roads, this out-and-back route delivers stunning views of the high plains and brings riders out to the secluded Pretty Valley Lake. With steady climbs and beautiful scenery it can easily be extended with additional loops or a quick detour to the Pretty Valley Hut.

HUTS AND AQUEDUCTS

40.6

KILOMETRES RETURN

This stunning route showcases all the high plains has to offer, huts, lakes and wide open alpine vistas. This mixed terrain route takes riders on 50% smooth aqueduct and tarmac and 50% rougher fire track. Rideable in both directions, it offers multiple opportunities to divert off the route and check out historic Cope Hut and Wallaces Hut. A challenging climb at the midway point keeps you honest. This ride can also be joined with the Spion Kopje ride to make an EPIC alpine day out!

SPION KOPJE RETURN

37

KILOMETRES RETURN

This ride offers some of the greatest views in the high country with much of the ride over 1800m. With a steady gravel grind up a winding track this ride offers a feeling of solitude and adventure and really is one of the highlights of Falls Creek. Can be added onto the Huts & Aqueducts ride to make an epic day out.

TAWONGA HUTS RETURN

27.4

KILOMETRES RETURN

An epic ride out that takes you well out of resort boundaries. With more technical terrain and a very isolated feel this awesome ride can be combined with riding back into resort on some singletrack in the Falls Creek MTB park.

FOREST, MOUNTAINS & LAKES

25.5

KILOMETRES RETURN

This mixed surface route is perfect for a gravel bike and whilst it's short, it's got enough distance and elevation packed in to make it a great challenge with a long sustained climb.

HIKING & WALKING

The walking and hiking trails of Falls Creek let you discover historic huts, regenerating fire-damaged snow gums, wildflowers, alpine lakes and beautiful scenes of Victoria's highest peaks. Hiking in Bogong High Plains is a unique experience like no other.

High Plains Hiking Trails

Wallace's Heritage Trail

No trip to Falls Creek is complete without a visit to Wallace's Hut – the oldest cattlemans hut in the Alpine National Park.

Wallace's Hut has been standing since 1889 and is a true piece of High Country history. The grounds are perfect for a picnic and nearby Cope Hut (circa 1929) is an easy addition to your visit. You can reach both huts with an easy walk or cycle from the car park for a 6km round trip.

Access Wallace's Hut via the well signed car park approximately 8km along the Bogong High Plains Rd from the lake wall. If you are after a longer hike, continue on to the right to reach Cope Hut. You can also park at the Langford's Gap car park just 2km from the Dam Wall and complete as a return trip.

Arts, Nature & Heritage

Get back to nature in Australia's incredible alpine landscape.

TRAILS, TALES AND TUCKER

A fascinating 3km walk along the Wallace's Heritage Trail, listening to the stories, myths and legends of the characters that shaped the Bogong High Plains. The picnic tour takes in historical alpine huts and delves into the journeys of the traditional land owners, the Bogong Moth, the graziers, tribulations of the Kiewa Hydro Electric Scheme and the formation of Falls Creek Alpine Village. The walk concludes with a delectable lunch of tastes of the North East Victoria with stunning views across the High Plains. Info and bookings at trailstalesandtucker.com.

WATERFALL WALKS

The carpark at the Kiewa Valley River crossing (between Falls Creek and Bogong Village) leads to Fainter Falls, one of the most impressive waterfalls in the region. A moderate 700m trail through the alpine environment leads to an excellent viewing platform. Closer to home, take the short walk from the Gully Car Park to the boardwalk of Falls Creek Falls. Check the hiking section

for more details on this walk.

ARTS & HERITAGE TRAIL

Discover the rich heritage and history of the village with this digital tour guide and cultural trail. Along the way be sure to see recent art installations of Big Fella (Ory's Trail), the childcare centre mural, and Falls Wren (Slalom Plaza fountain), plus the Skyline Lodge memorial in the Gully and the new Light Sculpture in Slalom Plaza. Use your phone to access the guide at fallsuserguide.com.au

WILDFLOWERS

Falls Creek and the alpine region are home to some unique and beautiful flora including the iconic alpine wildflowers. There are so many different species blooming at different times of year and you'll often find yourself in a sea of purple or orange out on the high plains! Check out the plant guide at falls creek.com.au.

TRAIL RUNNING

Panoramic views and crisp mountain air are just the tip of the iceberg. Alpine trail running is an experience you just can't get in the city.

Falls Creek is a unique offering when it comes to alpine trail running. A diverse range of trails combine beautifully with the vibrant village, dramatic plains and iconic landmarks of the region to offer challenging rewards for all abilities.

Falls Creek trails range from flat well-manicured walking and vehicle tracks to rugged and remote singletracks through extreme alpine terrain. Heritage sites like Wallace's and Cope Huts join the spectacular features of Rocky Valley Lake, Mt McKay and Frying Pan Spur is an enviable sightseeing aspect too.

INTRODUCTORY RUN

160M ELEVATION GAIN

6 KILOMETRES

A gentle introductory run that scoots you out to serene Rocky Valley Lake via the sweeping 'Walking on Water' trail and returning via the resort's Aqueduct Trail. This is mostly graded underfoot with a reasonable incline to begin before levelling out for a comfortable loop return.

ADVANCED RUN

600M ELEVATION GAIN

11.7 KILOMETRES

An excellent run for those who like a challenge. It is not an incredibly long run but offers a good variation of elevation gain and loss as the landscape ranges from beautiful distant views of the surrounding mountains through to steep and technical running along thick forest and trickling streams.

The perfect reward for thirsty adventurer seekers

PROUD PARTNER OF FALLS CREEK RESORT

The energy within Falls Creek through all seasons

We remain committed in our proud support for Falls Creek, year round. As the snow melts, and as tourism once again returns to the region, the melted snow flows down through the rivers, and we do our job in transforming it into renewable energy. We look forward to being back on the slopes with you again.
