## WELCOME TO FALLS CREEK, AUSTRALIA'S PREMIER ALL SEASON ALPINE RESORT.

We are so happy to have you here, whether you've been here 100's of times or it's your first, welcome! We are excited to share our mountain with you.

If it's your first time to Falls Creek, this guide will answer a lot of your questions about parking, getting around the village and how to make the most of your Falls Creek adventure.

Check out the following pages for all the information you need about how to get here, what to do, how to get decked out in the latest snow gear, and all the activities on our lively mountain.

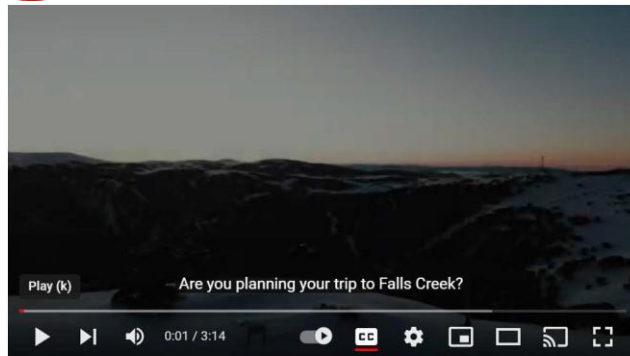

Our cosy alpine village, pristine landscape and spectacular ski slopes are ready for you to explore. Be our guest and take a look through the tips and info in this guide – you never know what helpful hint you might find.

A photograph of two skiers sitting on a lift. They are both wearing bright orange ski jackets and black helmets with goggles. The skier on the left is wearing a Giro helmet and has a white beard. The skier on the right is laughing. The background is a snowy mountain landscape.

# WELCOME TO FALLS CREEK

## GETTING HERE

Travelling to Falls Creek can require a little know-how when you first come to visit. We've put together a video so you are in the know from the get-go.

HOW TO VISIT FALLS CREEK IN WINTER. Everything you need to know.

## SNOW CHAINS

During the declared winter snow season, all vehicles driving to Victorian alpine resorts are required by law to carry and be able to properly fit snow chains (including 4WDs). You can rent these at several outlets in Myrtleford, Bright and Mt Beauty along the way. Thanks to the great work of our snow clearing crew, chain fitting usually applies only during, or directly after heavy snowfall.

Check our Snow Report before you go and make sure you fit chains only when and where advised by LED signage or resort staff.

If you do need to fit chains, there are designated bays to do this. Please ensure you are safely off the road before exiting the vehicle. If you are unsure whether you need to fit chains, check the live status in the snow report at fallscreek.com.au or the Falls Creek phone app. You can also call Visitor Information on (03) 5758 1200.

## DRIVING TIPS FOR FALLS CREEK

### TIPS FOR DRIVING AT FALLS CREEK

- LP gas vehicles: Switch to petrol for best performance in alpine areas.
- Diesel vehicles: Alpine diesel fuel mix should be used in all diesel vehicles (available in Myrtleford, Bright and Mt Beauty).
- Fuel: Fill up in Mt Beauty as there is no fuel available at Falls Creek.
- Snow chains: Legally, you must carry snow chains when visiting Falls Creek. Only fit chains where advised and avoid fitting chains on a dry road as it can damage the road and your vehicle. If you rent snow chains, record the chain fitting demonstration on your phone for your future reference.
- Driving: In icy conditions, avoid sudden braking or hard acceleration.
- Visibility: Drive with your headlights on in foggy conditions and avoid using high beams.
- Snow on vehicle: Do not drive with accumulated snow on your vehicle. Doing so is illegal, dangerous and creates hazards to other vehicles.
- Icy windows: Use a stiff plastic scraper to clear ice from car windows (never pour hot water on an icy windscreen!).
- Snow clearing: You may need a shovel to dig your car out of the snow. Make sure you take this to your accommodation & don't leave it in the car!
- Park and ride: If you're not comfortable driving in the snow, the park and ride facility is a great stress free option. Available in Mt Beauty through Falls Creek Coaches: [falls creekcoachservice.com.au](https://falls creekcoachservice.com.au)
- Parking: If staying for a few days it is a good idea to fit chains when you park in case of heavy snowfall. This will make it easier to dig out and move your car afterwards.

## RESORT ENTRY

During the snow season all vehicles entering the resort require a valid Resort Entry Vehicle Permit for the duration of your stay. This includes the days of arrival and departure. All Resort Entry Permits expire at midnight on the last day of the permit.

The Resort Entry fee is a charge per vehicle and it doesn't matter how many passengers you have, or whether you are staying at Falls Creek or off the mountain. If you arrive after 5pm, entry is free, but for the remainder of your stay, you are required to purchase a permit.

Please visit [falls-creek.com.au/resort-entry](https://falls-creek.com.au/resort-entry) to purchase your permit.

## PARKING FOR DAY TRIPS

You can self-park in the Gully, Slalom North or Windy Corner Day Car Parks, these are located on the village map on page 9 of this guide.

## PARKING FOR OVERNIGHT STAYS

The Accommodation Transfer Service (ATS) provides a ticketed transport system to your lodge when the village is covered in snow. ATS will also provide transport on your departure date back to the ATS terminal.

Stop at the Accommodation Transfer Terminal on the main road. Once you have unloaded, the ATS crew will direct you to an overnight parking area and provide a free shuttle to return you to the terminal.

If you arrive after-10pm (or midnight on Fridays), ATS will be closed and you will need to walk to your accommodation. Park in the Late Arrivals parking area just downhill from the ATS. You will need to move your vehicle to the correct parking area by 10am the following day and obtain the necessary Resort Entry Permit.

Be sure to obey all parking signage and ensure your vehicle is parked completely within the lines of an approved parking space.

## ELECTRIC VEHICLES

There are 4 Ocular IQ EV charging outlets located in the Gully Carpark, compatible for any EV within Australia. You will need to use the Chargefox App to use these.

# WHEN YOU ARRIVE

**Our village is proud of its amazing ski-in, ski-out environment. When there is sufficient snow in the village it is closed to vehicles. Accommodation Transfer Service (ATS) provides a unique, memorable service to transport you and your luggage to and from your accommodation.**

Tickets for the Accommodation Transfer Service (ATS) are available online at [www.fallscreek.com.au](http://www.fallscreek.com.au) or at the transfer terminal when you arrive in resort.

### USING ATS ON ARRIVAL

- Park as directed in front of the ATS Terminal and unload your luggage.
- Enter the ATS Terminal building via the entry area and purchase or validate your ticket at the ticket window (ensure you have a valid Resort Entry Permit prior to arriving at the resort).
- An attendant will direct you to an overnight parking area and provide a free shuttle to return you to the ATS terminal.
- After arriving back at the terminal you will be directed to the staging area where you will await direction to board the next available oversnow vehicle.

### BOOKING RETURN TRIP

- On arrival and when speaking with an attendant at the ticket window, confirm your departure and return time.  
You can change this time if needed by calling (03) 5758 1203 at least 24 hours in advance.
- At your pre arranged departure time, wait outside your accommodation for the oversnow shuttle back to the ATS and vehicle transfers.

# ACCOMMODATION TRANSFER

# GETTING AROUND

## VILLAGE SHUTTLE

A free oversnow shuttle service circulates along designated routes through the village between 8am and 5:30pm daily on a 20-minute cycle, depending on demand. This service will extend to 9pm on Night Skiing evenings. Due to space restrictions no luggage is allowed except skis, snowboards and personal shopping. Please queue at the nominated shuttle stop locations and be aware that passenger preference may be given to families with young children and the mobility impaired.

## VILLAGE BUS

This free shuttle bus service travels along the Bogong High Plains Road between Windy Corner, Slalom Plaza ATS and the Gully on a 15 minute cycle between 8am and 5:30pm daily. No luggage is allowed except for skis, snowboards and personal shopping. Use this bus to access the Windy Corner Toboggan Slope, Cross Country Ski Trails and Gully Chairlift to the Village Bowl.

## VILLAGE WALKWAYS

Everything at Falls Creek Village is within walking distance but a little local knowledge can help you get around faster. Familiarise yourself with our fast-track stairs and fixed walkways for some handy shortcuts through the village.

For the quickest path through the center of the village, the well-lit stairs behind the ATS Terminal offer direct access from the bottom to the top of the village.

# VILLAGE GUIDE

## VISITOR INFORMATION CENTRE

The Visitor Information Centre is staffed every day of the snow season from 8am to 5pm. It's the best place to go for any questions or assistance you might need during your visit. With experienced, local staff, we are here to help with advice on activities and dining options.

Visit at 1 Slalom Street or call (03) 5758 1200.

## SUPERMARKET, ATM & POST OFFICE

Country Grocers Falls Creek (formerly Foodworks) is open 7 days from 8am till 7pm and is located at the base of the stairs to Slalom Plaza. Step inside and discover locally sourced produce, pre-ski snacks, hearty winter meals, liquor and essential supplies to fuel your stay. The supermarket also features an ATM, phone card recharges and newsagency products. Australia Post is located directly in front in a stand-alone shopfront.

For more information phone Country Grocers Falls Creek on (03) 5758 3009.

## PHARMACY

The nearest pharmacy is located in Mt Beauty. You can arrange for prescription medication to be delivered to Falls Creek Village. You will need a valid prescription and current Medicare card for this service.

For more information phone Mt Beauty Pharmacy on (03) 5754 4224 during business hours.

## INTERNET ACCESS

A free public wifi hotspot is available in the St Falls Day Shelter (halfway up the stairs from Country Grocers). The shelter is open 24 hours with instructions and terms of use on display.

## MEDICAL CENTRE

The Falls Creek Medical Centre is located near the base of the Gully Chairlift, on the main road as you enter the village. Experienced doctors are on site 7 days during winter to treat in-patients referred by Ski Patrol. An ambulance is available on-mountain (to avoid a nasty bill, we strongly recommend taking out ambulance/travel Insurance before your trip as accidents do happen!).

No walk-ins will be accepted. To make an appointment phone (03) 5758 3238 during business hours. Calls made after hours will be answered. In an emergency call 000 immediately before calling the Medical Centre.

# EQUIPMENT HIRE & RETAIL SHOPS

## ON-MOUNTAIN RENTAL & RETAIL

There is a huge range of options to rent or buy ski, snowboard, cross country and snowplay equipment in the village. You can also find a great range of clothing, homewares, gifts and accessories for purchase.

## LIFT TICKETS - BUY EARLY AND SAVE

All guests wishing to ski or snowboard require a valid lift ticket and corresponding Mountain Access Card. For the best prices, purchase your lift ticket and Mountain Access Card online and in advance.

Your lift ticket is loaded onto your Mountain Access Card - a reusable credit-card sized smart card that automatically lets you through scanning gates at resort lifts. This system is quick and easy, and you don't even need to take your card out of your pocket.

Your Mountain Access Card, loaded with your Lift Ticket, can be collected from these centrally-located stores across the village: Falls Creek Sports Slalom Plaza, Falls Creek Sports Village Bowl, Falls Creek Sports Gebi's, The Board Lounge, and Snowzone Locker Rentals.

[Visit \*\*skifalls.com.au\*\*](https://www.skifalls.com.au) to top up your card at anytime with lift tickets, lessons and more.

### For smooth lift access, follow these tips:

- Check names printed on your Mountain Access Cards to ensure each family member has the correct card.
- Place the card in a pocket on the left-hand side of your body, above your waist.
- Make sure to place the card away from mobile phones and credit cards, and only have one Mountain Access Card in your pocket - having multiple cards may interfere with the scanner.
- As you approach the gate it will attempt to scan the card and either open the gate for a valid scan or remain closed for an invalid scan.
- If an invalid scan is registered and the gate does not open, a staff member will be able to provide assistance .

[Visit \*\*skifalls.com.au\*\*](https://www.skifalls.com.au) to purchase lift tickets and lessons online and in advance to receive the best price.

For further enquiries on lift tickets email [tickets@fallscreek.net](mailto:tickets@fallscreek.net).

# SNOWSHOEING & WALKING

Falls Creek and the surrounding High Plains is an incredible place to explore. With an extensive network of alpine trails used for hiking, trail running and mountain biking in summer, you can experience these in their winter setting by renting a pair of snowshoes.

## SNOWSHOEING

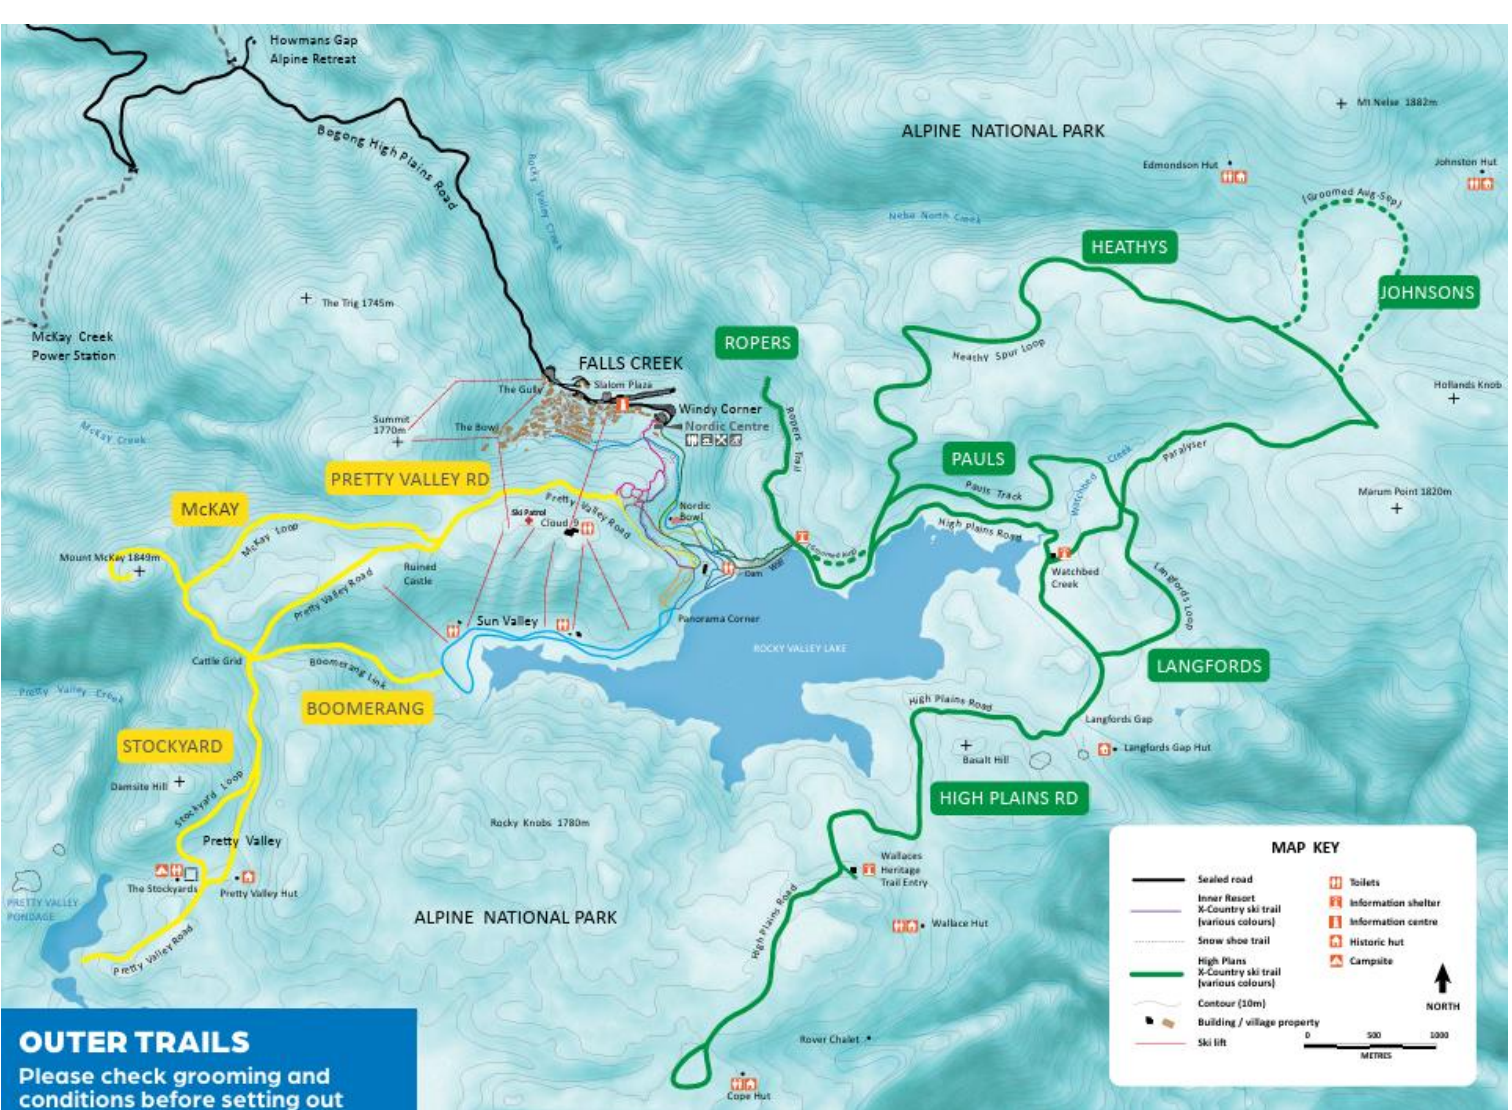

Nordic Snowshoeing is a unique way to experience the beauty of Falls Creek. On a back-country hike you can access spectacular views and locations rarely seen by most visitors to the resort. Snowshoes are easy to use and offer a unique way to enjoy the snow on a budget. They are also perfect for the whole family!

Snowshoe rentals are available at outlets in the Village Bowl and from Falls Creek Cross Country at Windy Corner. From here you can access the trailhead to a number of snowshoe specific trails.

Pick up a trail map at the Visitor Information Centre in Slalom Plaza or stop in to chat with the staff at Falls Creek Cross Country at Windy Corner.

If you're heading out on foot or snowshoe, remember to obey signage and keep to the outer edges of the trails. This ensures trails can be enjoyed by walkers and cross country skiers.

# BE RESPONSIBLE

**Regardless of how you enjoy your snow holiday, always show courtesy to others and be aware THERE ARE INHERENT RISKS in all snow recreational activities which common sense and personal awareness can reduce.**

These risks include rapid changes in the weather, visibility and surface conditions, as well as natural and artificial hazards such as rocks, trees, vehicles and snowmaking equipment.

## ALPINE RESPONSIBILITY CODE

**Know and observe the code below – it's your responsibility.**

1. Know your ability and always stay in control and be able to stop and avoid other people or objects. It is your responsibility to stay in control on the ground and in the air.
2. Take lessons from qualified professional instructors to learn and progress.
3. As you proceed downhill or overtake another person, you must avoid the people below and beside you.
4. Do not stop where you obstruct a trail or fun, or are not visible from above.
5. When entering a trail or run, or starting downhill, look uphill and give way to others.
6. When riding chairlifts always use the restraining devices. Always use suitable restraints to avoid runaway equipment. Ensure your equipment is in good condition.
7. Observe all signs and warnings. Keep off closed trails or runs and out of closed areas.
8. Before you use any lift, you must have the knowledge and ability to load, ride and unload safely.
9. Do not ski, snowboard, ride a lift or undertake any other alpine activity if your ability is impaired by drugs or alcohol.
10. If you are involved in, or witness and accident or collision, alert Ski Patrol, remain at the scene and identify yourself to the Ski Patrol, call (03) 5758 3502.

Failure to observe the code may result in CANCELLATION of your ticket by Ski Patrol or other authorised personnel.

## OUR ENVIRONMENT

At Falls Creek the mountains, clean air and pristine alpine views are our greatest asset. There are many ways you can help protect our beautiful environment during your stay.

### **If you drop it, you drink it!**

Falls Creek is situated at the top of the water catchment and water from our streams feed the Murray river and eventually travels all the way to South Australia. Please don't pollute our pristine waters by littering....bin it!

### **Reduce your waste**

Falls Creek has been collecting and recycling its food waste since 2011. Up to 40% of the resort's waste is foodwaste and when placed in landfill produces methane, a potent greenhouse gas. Look for the green 'Living Bin' in your accommodation and separate your food waste (fruit, vegetables, meat, eggs, tea bags...anything that was once living).

You can also reduce your waste by bringing your reusable coffee cup and reusable shopping bags with you to Falls Creek, just like you do at home.

### **Protect Our Winters**

The effects of climate change could dramatically impact the alpine region's unique biodiversity. Falls Creek proudly supports the Protect Our Winters campaign which aims to mobilize the outdoor sport community to take positive action on climate change. Some small actions you can take include;

- Reduce transport energy. Car pool to Falls Creek and walk around the village as much as you can.
- Turn off lights and appliances at the power point when not in use.
- Insulate your house or lodge. Turn down the thermostat and use draught stoppers.
- Invest in high star-rating, energy efficient appliances, and wash clothes in cold water.
- Purchase greenhouse friendly products and purchase local to reduce the carbon footprint of transporting products.
- Support renewable energy sources. Switch to Green Power with your electricity provider.

**When the snow melts Falls Creek cranks into a new gear with summer events and adventures taking the stage.**

## FALLS CREEK MOUNTAIN BIKE PARK

**Falls Creek Mountain Bike Park** is over 50kms of world class gravity trails, high in the rooftop of Victorian Alpine National Park. Designed and built by World Trail, Falls Creek's Park is a showcase of gravity and flow in beautiful alpine terrain.

Open between November and April the park is ideal for intermediates and beginners with challenges for the advanced as well. Greenline is an awesome trail from Summit to Lakeside with 5km of beginners descent. Stepping it up a few notches, Big Fella joins Flowtown and High Voltage as an epic bash for the more experienced. All trails start and finish within the resort and weekend bike shuttles make for endless rides without the uphill grind.

## ROAD CYCLING

The road to Falls Creek features challenging climbs, an awesome backdrop and finishes at a village as cycle-friendly as they come. Riding Falls Creek is a dream, it's no wonder one of the world's top ten best Sportives and Grand Fondos is held here with the Peaks Challenge event.

## GRAVEL RIDING

A cross between mountain biking and road cycling, gravel riding is a great way to adventure without the extreme of mountain biking. Falls Creek gives access to plenty of trail options for gravel riding, whether it be over the undulating along the high plains or riding up to look outs, we've got you sorted.

## TRAIL RUNNING & HIKING

At over 1600m, Falls Creek is arguably the nation's best altitude training location. There are 45km+ of National Park trails plus the 250ha Rocky Valley Lake is a feature you don't find just anywhere. A major highlight is the 37km Falls to Hotham Alpine Crossing – a 3 day, 2 night adventure trek between the two alpine resorts. With eco-friendly camping platforms and an alternate single day route this is a challenging yet achievable addition to any bucket list.

## EVENTS & VILLAGE LIFE

Summer life in the Falls Creek Village is a hive of activity with riders, runners, families and groups across most dates. Regular activities and a non-stop calendar of events throughout the warmer months, add to the charm and beauty of a high country summer holiday.

**OPEN 365 DAYS**
